

PROVIDING FOR CONSIDERATION OF H.R. 5521,
LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2007

JUNE 6, 2006.—Referred to the House Calendar and ordered to be printed

Mr. BISHOP of Utah, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 849]

The Committee on Rules, having had under consideration House Resolution 849, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 5521, the Legislative Branch Appropriations Act, 2007, under a structured rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations.

The rule waives all points of order against consideration of the bill. The rule provides that the bill shall be considered as read. The rule waives points of order against provisions in the bill for failure to comply with clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill).

The rule makes in order only those amendments printed in this report. The rule provides that the amendments printed in this report may be offered only in the order printed in this report, may be offered only by a Member designated in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The rule waives all points of order against the amendments printed in this report.

Finally, the rule provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of section 401(a)(1) of the Congressional Budget Act of 1974 (prohibiting consideration of legislation, as reported, providing new contract authority or new borrowing authority that is not limited to amounts provided in appropriations acts) because section 103 of the bill is in violation of section 401(a)(1). The waiver of clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill) is necessary because there are numerous legislative provisions included in the bill.
